SUBJECT: Change of ownership announcement letter

Dear Fellow Southeast North Carolinians,

Thank you for your loyal business over the past 20 years. We have enjoyed providing Southeast NC with high quality water, but we have come to a place where we need to make some adjustments. We are writing you to formally announce that "The Water Jug" is transferring all delivery and rental equipment to a new owner, "Indian Spring Water Company". This change of ownership will take effect as of November 1, 2017.

With this letter, we intend to notify you that Indian Springs Water Company will be servicing your account with the same great prices and products that you are receiving at this time. Our office manager, Rhonda Sanders, will be assisting in the transition and will continue to contact you for deliveries via email. You can expect your final bill from The Water Jug on October 31, 2017.

Indian Springs Water Company has been servicing customers with bottled water since 1988. Ryan Dilworth and Stephen Wolff are the managers and have ownership in the company. Either one can answer any other questions about their product and services. Their office number is (910) 762-8300.

We want to assure you that excellence will continue to be delivered right to your door! You have always been our valued customers and we look forward to your patience and understanding in this time of transition. If you have any questions or concerns, please feel free to email or call us.

Thank you again!

Sincerely,

Russell and Eileen Tatum
